### A community centre for the heart of the neighbourhood.

At the heart of all great neighbourhoods are the people. Great communities are defined as those where residents can walk safely, with meaningful destinations and amenities where residents can gather, meet one another, enjoy some recreation and even learn.

Sunset Ridge has many great amenities going for it, with quality schools, several local parks and the multi-use path network running through and connecting the community. Our Community Centre will be the crown jewel of community connection, offering all kinds of recreational opportunities:

- Boarded rink with place to change into skates.
- Playground
- Seating areas
- Community building with space for recreation, meetings and events
- Sports fields
